Dropship With DGS Explained

Why DropShipping with DGS?

10 ways DGS dropshipping can help your business grow

1. Positive cashflows always since you first receive payments from customers then only you pay us
2. No such thing as excess inventory even if marketing trend changes
3. No warehousing required by you
4. Lesser damaged shipment issues due to less handling of goods
5. Ability to introduce new products easily
6. Complete your product range even with lower volume niche products
7. Items professionally packed by DGS with your own label
8. DGS handles the pick and pack so that you can focus on marketing and customer service
9. Better product pricing as DGS buys in bulk
10. Better courier service and offering, price and speed wise.
